Dear Chris,

It is with great pleasure that we send you our guitar to help Robbie raise funds on his special night.

The details of the guitar are as follows:

The guitar is our JJ – “Retro S” model. It is made from the finest Mahogany with a Rosewood fingerboard and 22 frets. The hardware and electronics are also of the finest available. The electronic pickups are P90s. This colour is Dark Cherry with a satin finish. The guitar is complete with a Hiscox Lightflite fitted case. The value is £995.00 and as with all our instruments it is handmade in our UK workshops.

I have also enclosed in the case 12 sets of 10 gauge guitar strings and you can state that the winner also receives a year's supply of strings. This is a promotion that we offer supported by D'Addario our strings supplier.

There is also our signed certificate of authentication with the serial number in the guitar case. You may also consider having the X-Factor tour sign the back of the certificate as this is specific to the instrument.

Once again thank you and please let me know if you require any further details.

Yours Sincerely,

Jeff Guilford  
Managing Director
